

STABILITY FILE UPDATE: STAB22-009 8 Month Timepoint

Product	CryoStor® CS10		
Part Number	210502	Manufacture Date	29APR2022

CryoStor® CS10 in 100mL Bottles P/N 210502 is the exact formulation as the product in other container closure configurations, all of which have an established shelf life expiration date of 24 months from the date of manufacture when stored at 2-8°C.

This product is currently on initial real-time stability in order to establish an expiration date for the product. The 8 months stability data show preservation efficiency is maintained for 8 months from the date of manufacture when stored at 2-8 °C.
