Product Description

Corning® Lambda™ Plus Pipettor is a single-channel, volumetric instrument designed to measure and transfer liquids precisely and safely. These fully autoclavable and UV-resistant pipettors have been designed for a universal fit with all common brands of pipette tips, including Corning® Filtered Pipette Tips (STEMCELL Catalog #38031). Each pipettor has smooth plunger movement, low pipetting force, and an adjustable tip ejector. Volume can be adjusted using the thumb wheel or plunger button, and a locking mechanism can be used to prevent accidental volume changes. The pipettor can accommodate volumes from 0.2 µL to 1000 µL, depending on the model. Pipettors are available individually and as a kit. The kit includes the 10 µL, 20 µL, 200 µL, and 1000 µL pipettors, as well as 10 µL, 200 µL, and 1000 µL pipette tips and a carousel stand.

Catalog #38058, 1000 µL Pipettor (Corning Catalog #4075)

Catalog #38059, 200 µL Pipettor (Corning Catalog #4074)

Catalog #38060, 20 µL Pipettor (Corning Catalog #4072)

Catalog #38061, 10 µL Pipettor (Corning Catalog #4071)

Catalog #38062, 2 µL Pipettor (Corning Catalog #4070) - Not included in Pipettor Starter Kit

Catalog #38063, Pipettor Starter Kit (Corning Catalog #4069)

APPLICATIONS

- Liquid handling
- RNA/DNA purification
- PCR
- Molecular biology

Properties

Storage: Store at 15 - 25°C.

Shelf Life: Not applicable

Features

CAPACITY

- Minimum volume: 2 µL ± 3.0% accuracy
- Maximum volume: 20 µL ± 0.8% accuracy

TIP SIZE

- Fits 200 µL tips

Handling / Directions For Use

For complete instructions, refer to the Technical Manual: Corning® Lambda® Plus Single-channel, 8-channel, and 12-channel Pipettors Instruction Manual (Document #DX21630), available at www.stemcell.com or contact us to request a copy.

WARRANTY

Three-year warranty is provided by Corning Life Sciences, valid from date of purchase. Original purchase receipt is required. For the complete warranty statement, refer to the Technical Manual or contact us at techsupport@stemcell.com.

Notes and Tips

For chemical resistance information, refer to the Technical Manual: Corning® Lambda® Plus Single-channel, 8-channel, and 12-channel Pipettors Instruction Manual or contact us at techsupport@stemcell.com.
